

EU Declaration of Conformity

The European Standard covered by this declaration:

EN1717: 2000 - Protection against pollution of potable water in water installations and general requirements of devices to prevent pollution by backflow.

The products covered by this declaration:

ECOMIX – High Flow/ Low Flow Single Chemical Proportioning Dispenser

ECOMULTI – High Flow/ Low Flow Four Chemical Proportioning Dispenser

The above products comply with the essential requirements of the Standard by way of incorporating a backflow protection device intended to prevent contamination of potable water.

Signed:  M. DWELLY Authority: GENERAL MANAGER Date: 12.08.15

The attention of the specifier, purchaser, installer or user is drawn to any special measures and limitations of use, which must be observed and adhered to when the product is taken into service in order to maintain compliance. It is the responsibility of the installer to comply with local water regulations.
